

## **Internal Medicine Meeting 2024 Scientific Program and Pre-Course Faculty Disclosures**

It is the policy of the American College of Physicians (ACP) to ensure balance, independence, objectivity, and scientific rigor in all of its educational activities. To this end, and consistent with the Standards for Integrity and Independence in Accredited Continuing Education and ACP policy, all those in a position to control the content for ACP continuing medical education activities are required to disclose all financial relationships with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Following is disclosure information for Internal Medicine Meeting 2024 faculty. Relevant financial relationships are listed in italics below the name of the individual. All relevant financial relationships have been mitigated. Individuals not listed have no relevant financial relationships to disclose.
